

## You are highly qualified and would like to work in GERMANY?

The International Placement Services (ZAV) are a neutral public organisation aiming to support You finding a job in Germany. We are member of the European Employment Services network EURES – We offer our services at your disposal without charge!

**For the regions RHINELAND-PALATINATE AND SAARLAND we are looking for:**

### 1 ROOM-Cleaner (M/F)

#### THE REGION

Rhineland-Palatinate-Saarland (RPS) is a region of high historical, cultural and touristic importance including the romantic Central Rhine and Mosel area with wine-growing landscapes and numerous castles.

Attractive cities like Mainz, Koblenz and Trier, the eldest city in Germany, contribute to the profile of this region.

**RPS is a great region to work AND to live in!**

[www.fachkraefte.rlp.de](http://www.fachkraefte.rlp.de) and  
[www.willkommen.saarland.de](http://www.willkommen.saarland.de)

## **Senior Project Manager**

**Number of Posts:** 1

**Contract Type:** Full time - Permanent

### **Job description**

EMDP is a boutique multidisciplinary consultancy working in the fields of Environment, Management, Design & Planning. for over 25 years. The practice has a broad experience in both small-scale and large-scale projects in Malta, Europe, North Africa, and the Middle East. EMDP prides itself in Creating SPACE.

EMDP has been responsible for the formulation of master plans and public urban design, advocacy planning, the preparation of specialist planning documents like Environment Impact Assessments and Traffic Impact Studies, restoration reports, urban studies as well as the preparation of background studies for a number of Local Plans. EMDP has been responsible in creating SPACE imbued with spirit, in harmony with nature, providing identity, experience – a sense of being.

EMDP currently manages a portfolio of ongoing works ranging from the supervision of roads and infrastructure works, the €50 million installation of shore-to-ship power infrastructure in the Grand Harbour of Valletta (which allows cruise ships to switch off their engines and plug in to shore electricity points, thus drastically reducing emissions over the Grand Harbour area and beyond); the €12 million development of MICAS – the Malta International Contemporary Art Space museum, the design and project management of the development of a number of security related projects; the design, development and project management of the €30 million Vincent Moran Health Hub Hospital servicing the southern part of the island, as well as the design of a number of hotels, schools, office, industrial, mixed-use and residential buildings.

EMDP is seeking to expand its core team by recruiting **Senior Project Manager**:

### **Senior Project Manager – building/civil site experience**

The position calls for individuals who are in possession of the licensed to work as a Structural Engineer/Civil Engineer within a country of the European Union and/or the Country of origin of the selected candidate; with at least 10 years' experience (preferably in the project management of at least 1 large scale project with a completion budget of over €20 million). Specialist Buildings like Hospitals, Museums, Special Security Building works will be given a preference.

The chosen applicant is to be willing to transfer to Malta; travel (in a post COVID era); work in a small, versatile, tight knit team with experiences spanning from the initial conceptual stages to the evolution of design, the final stages and follow up of development permit submission, followed by detailed design, tender preparations, construction, contract management supervision and certification.

**Academic Background - Role Requirements:**

- A Master's Degree in Structural Engineering or Structural Engineering or Building Engineering – MQF Level 7 from an internationally recognised University; or higher **is necessary**
- A Master's Degree in Project Management – MQF Level 7 from an internationally recognised University; **is necessary**.
- Proven Fluency in written and spoken English **is a must**.
- Knowledge of other languages particularly Maltese is **considered an asset**

**Professional Background - Role Requirements:**

- A warrant/license and/or membership in a nationally recognised body to work as a **Structure/Civil/Building Engineer is necessary**

**Work Experience - Role Requirements:**

- A minimum of **ten-year** post qualification and post warrant/licence/membership acquisition work experience is **a must**
  - o CV is to include for project dates, final project development budgets (up to finished stage but excluding land values), the client for who the works were carried out and a short description.
  - o In possession of a clean and valid driving license.

**Other Requirements:**

- You will be a team key player working as an integral part of the firm's young ambitious international group of designers, architects, engineers and project managers.
- You will be inquisitive, ready to meet new challenges, hard-working, responsible, decisive, able to work on your own initiative and enjoy ample knowledge in the civil engineering, infrastructure, roads, and design fields. Experience in marine works will be considered an asset.
- You are to have excellent verbal and communication skills.
- You are to have excellent knowledge in the Microsoft suite; 2D drafting, 3D and BIM software such as AutoCAD, Autodesk Revit, as well as experience in using Microsoft Project and other project tracking / planning software.
- Experience in the handling of Claims and Contract Management are considered an asset. You are to quote the design standards you have had experience in using.

**Benefits:**

The company covers its personnel with a Professional Indemnity Insurance as well as for perils which might occur during the daily activities linked with the job.

**Training provided**

Chosen team players will be assisted in obtaining the necessary warrant to operate as a Structural/Civil Engineer in Malta as well as obtaining the necessary MQF level degree equivalency.

**Assistance with accommodation/relocation**

Chosen team players will be assisted to translocate to Malta - they will be provided with an inhouse single point of reference to help with the translocation and the finding of proper accommodation. They will also be assisted in the obtaining of all local work and residency permits.

**Salary**

Commensurate with the qualifications and experience of the chosen team player

Indicative: Eur 27,000 – Eur 33,000 (Gross)

## Vacancy Information

### **How will the interviews be held?**

Short listed candidates will be interviewed. Interviews will be coordinated by phone; confirmed by e-mail and a ZOOM/TEAMS/Skype meeting set-up.

### **To apply**

Interested team players are to forward their CV (in English) together with a portfolio of works as well as a short letter stating why they want to join EMDP to [eures.recruitment.jobsplus@gov.mt](mailto:eures.recruitment.jobsplus@gov.mt) Please quote the vacancy name and number in your email.
